

REMARKS

During review of the allowed claims, it has been noticed, for the first time, than an inadvertent word processing error appears in claims 35 and 36. The error is that four residues for X recited in the counterpart disclosure at page 6 line 29 to page 7 line 3 have been inadvertently omitted from the claims. Claims 35 and 36 have been amended in this paper to include those four groups. No new matter is entered and no new issues are raised by the requested revisions. Entry of the amended claims 35 and 36 is therefore respectfully requested.

The undersigned would like to thank the Examiner (Mr. Bottino) for kindly agreeing to discuss this case over the telephone on August 26, 1996. If any questions arise, it is requested that the undersigned be contacted at the number given below.

Respectfully submitted,

NIXON & VANDERHYE P.C.
